The Honorable Board of Supervisors

Los Angeles, CA 90012

Dear Supervisors:

ENDORSE THE 2004-05 MEMBERSHIP SLATE OF THE CHILD CARE PLANNING COMMITTEE (ALL DISTRICTS) (3-VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Chairman to sign the attached Child Care Planning Committee (Planning Committee) membership slate for the 2004-05 program year.

PURPOSE OF RECOMMENDED ACTION

The Planning Committee operates in accordance with Sections 8499-8499.7 of the California Education Code, providing a forum to identify local priorities for child care, and developing policy recommendations to address identified priorities.

The Education Code requires that the County Superintendent of Schools and the Board of Supervisors appoint Planning Committee members from five categories, and that each category account for 20 percent of the total membership. These categories are:

1. Persons who are currently using child care and development services, or have used them in the past 36 months;
2. Child care providers, including licensed family child care, licensed child care centers, and license-exempt child care providers;
3. Public agency representatives;
4. Community representatives who do not hold contracts with the California Department of Education/Child Development Division (CDE/CDD) to provide child care and development services; and
5. Discretionary appointments.

The attached membership roster meets the requirements of the Education Code and has been forwarded to the County Superintendent of Schools.

JUSTIFICATION

Formal approval of the Planning Committee membership is required to comply with the Education Code and contract requirements, to seat new members, and to continue working on Committee business.

FISCAL IMPACT

The work of the Planning Committee is supported by a contract with the California Department of Education/Child Development Division. Approval of the membership slate will ensure compliance with the funding terms and conditions of the contract.

FACTS AND PROVISIONS

The Planning Committee began recruiting new members in March 2004. Applications were distributed to all school districts within the County; individuals on the Planning Committee mailing list, which includes over 250 persons and organizations; attendees at monthly Planning Committee meetings; and through outreach efforts of individual members. In addition, the application for membership was posted on the Chief Administrative Office, Service Integration Branch, Office of Child Care Web Site.

The attached roster reflects the Planning Committee's efforts to arrive at a body that represents the geographic, programmatic, ethnic, and cultural diversity of the County, while also complying with the mandates of the Education Code. The membership slate includes individuals nominated by each Board office and a representative of the County Superintendent of Schools.

IMPACT ON CURRENT SERVICES

The Education Code describes a list of activities to be undertaken by local planning committees, including, but not limited to, the following:

1. Conducting an assessment of child care needs in the County at least once every five years;
2. Encouraging public input in the development of local priorities for subsidized child care funds;
3. Preparing a comprehensive Countywide child care plan to address identified needs;
4. Conducting a periodic review of child care programs funded by CDE/CDD and the County Department of Public Social Services to determine if priorities are being met;
5. Designing a system to consolidate local child care waiting lists; and

6. Coordinating part-day programs, including State preschool and Head Start, with other child care to provide full-day services.

The mandates to the Planning Committee, as well as the size and complexity of this County, present very real planning challenges. The Planning Committee completed a Countywide child care needs assessment in 2000, and is preparing an update to be issued in fall 2004. The Planning Committee developed a comprehensive Strategic Plan that addresses identified child care and development needs of the County of Los Angeles, which your Board approved September 19, 2003. The Planning Committee has promoted collaborative programs and launched a centralized eligibility list project. The individuals proposed for the 2004-05 program year have the dedication and skills needed to continue the work of the Planning Committee.

CONCLUSION

Two signed copies (original signatures are required) of the Certification Statement Regarding Composition of LPC Membership should be returned to:

- Chief Administrative Office, Service Integration Branch, Office of Child Care, 222 South Hill Street, 5th Floor, Los Angeles, California 90012. Copies will be forwarded to CDE/CDD, as required.

Respectfully submitted,

A handwritten signature in cursive script that reads "Bonnie Bailer" followed by a small superscript "L2".
